

Send Your Texts in 4 Simple Steps

Survey & Ballot systems

Members can now receive election reminders & invitations- straight to their mobile phones! Members simply opt-in, then click and immediately cast their vote anywhere, anytime.

1 Send Opt-in

Members must give their consent in order to receive text message voting reminders. Your organization (or SBS) will need to send an opt-in link to all voters to collect opt-ins.

2 Collect Opt-ins

Voters use the opt-in link to provide their contact information and agree to receiving text message voting invites for your election.

3 Click

Voters will receive a text message reminding them to vote, with a one-click link that will take them directly to the ballot.

4 Vote

Members are securely logged into their personal online ballot to submit their vote.
